FALL FLYING & SUMMER FUN

Flying in the fall can hold some of the best weather and scenery of all the seasons. The temperature is cooler, so flying can be more comfortable. Although ice is an issue, the summer thunderstorms are gone. Fall also produces the changing colors of the trees, which every pilot should show off to their passengers. With the election now approaching, please utilize flight service and check for

TFRs and Notams on all flights no matter local or cross-country. SA has gift certificates available for scenic flights anyone to enjoy.

CONGRATS!

Now that summer has passed we would like to congratulate our first foreign (Polish) student Anna Feder for receiving her Private Pilot certificate. Anna started flight training in July and finished in August, just 33 days! Way to go Anna!

CHECK IT OUT

We encourage all pilots to check out what is going on with the aviation organizations in the state of Wisconsin. WATA, WAMA, WBAA are a couple acronyms you might recognize. These organizations have your interests as general aviation pilots in mind. Please take an active interest the organizations that are fighting for your right to fly!

GROUND SCHOOL WINTER 2009

We will be offering a sport/private/instrument pilot ground schools this winter through MATC. Whether you would like to get started on your license, or if you want to improve upon your flying knowledge, please join us. If you attend two classes, it will count for the ground portion of your flight review with one of our instructors. This is a great and inexpensive program MATC helps us put on, so we need as many people as possible.

Where: MATC-Reedsburg Campus
When: Winter 2009
Time: TBD

NEWS AROUND THE AIRPORT

GOOD LUCK to Britt Solverson on becoming president of the Wisconsin Aviation Trades Association (www.wataonline.com).

THANK YOU We would like to thank all of our customers for their continued support through the past three and a half years! We look forward to working with you in the near future! ☺

WELCOME We would like to welcome Scott Wafle and Lyle Fahrni to the world of aviation. We would also like to welcome two new employees to Solverson Aviation, Tom Parker and Nicole Kolar. Tom was the former owner of Tom's Hobbies and Crafts in Reedsburg and has extensive experience working around aircraft and the airport as former line personnel for previous Reedsburg FBO owners. Tom lives in Hillsboro with his wife and two children. Nicole will be working weekends and is a high school student in Baraboo.

CONGRATULATIONS

George Vergeront received his sport pilot license on August 12th.
Mark Denhart received his sport pilot license on August 13th.
Rick Forseth received his sport pilot license on October 14th.
Jason Edwards received his A&P on October 7th.

IN MEMORIAM Aviator Jim Bishop from Prairie Du Sac passed away this summer. Jim had just become current in his Kitfox after not flying for 20 years. Aviation will miss him.
